SL AUTO ELECTRIC CO.,LTD

2020

## BRIEF INTRODUCTION

SL Auto Electric Co.,Ltd, founded in 2001, is a professional manufacturer and exporter for starter motor, alternator and components, such as amature, stator, field coil, rotor, solenoid,etc. We have two manufacturing bases, one is for starter, and the other is for alternator. Our products are involved in BOSCH, VALEO, MITSUBISHI, HITACHI, DENSO, SAWAFUJI, NIKKO, FORD, DELCO, LUCAS, ISKRA, etc.

We passed ISO9001, TS16949 Quality Management System Certificate. At present we have over 180 staffs, including 11 senior engineers and 23 quality testing technicians.

Strong technical force, advanced production & testing equipment and strict QC system in each process makes our products with best quality. And we have favorable international reputation and export products to America, Europe, Oceania, South Africa, Mid-east market, etc.

SL is with Professional, Honest, Efficient business philosophy, is willing to join hands with customers and create a brilliant future.

## EQUIPMENT

Alternator test machine

Starter test machine

Endurance Test Machine

Bracket Processed Machine
